Explanatory Notes to the Notice of Annual General Meeting

Notes:

1. A member entitled to attend and vote at the meeting is also entitled to appoint one or more proxies to attend, speak and vote instead of him/her. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. The proxy need not be a member of the Company. Please refer to the notes to the Form of Proxy for further information on appointing a proxy, including how to appoint multiple proxies (as the case may be).
2. If you wish your proxy to speak on your behalf at the meeting, you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them. If you wish to appoint a proxy other than the Chairman, write the full name of your proxy in the box provided in the Form of Proxy.
3. In the absence of instructions, the person appointed proxy may vote or abstain from voting as he/she thinks fit on the specified resolutions and, unless otherwise instructed, may also vote or abstain from voting on any other matter (including amendments to resolutions) which may properly come before the meeting.
4. In the case of joint holders, the signature of any one of them will suffice but the names of all joint holders should be stated. The vote of the senior who tenders a vote (whether in person or by proxy) will be accepted to the exclusion of the votes of other holders. For this purpose, seniority is determined by the order in which the names stand in the register of members in respect of the joint holding.
5. To be effective, the enclosed Form of Proxy must be duly completed and deposited together with any power of attorney or other authority (if any) under which it is executed (or a duly certified copy of such power or authority) and lodged at the offices of the Company's registrars, Computershare Investor Services Plc no later than **11.00 a.m. on 14 June 2019**.
6. Whether or not you propose to attend the Annual General Meeting, please complete and submit a Form of Proxy in accordance with the instructions printed on the enclosed form. Completion and return of the Form of Proxy will not preclude a shareholder from attending and voting in person at the meeting.
7. The Company, pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those members entered on the register of members of the Company at **11.00 a.m. on 16 June 2019** (being not more than 48 hours prior to the time fixed for the meeting) shall be entitled to attend and vote at the meeting or, if the meeting is adjourned, 11.00 a.m. on such date being not more than 48 hours prior to the date fixed for the adjourned meeting. Changes to entries on the register of members after such time shall be disregarded in determining the right of any person to attend or vote at the meeting.
8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK and Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID3RA50) by **11.00 a.m. on 14 June 2019**. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
10. CREST members and where applicable their CREST sponsors, or voting service providers should note that Euroclear UK and Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and where applicable, their CREST sponsors or voting system providers are referred in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
11. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.
12. Resolution 8, which is an ordinary resolution, authorises the Directors to allot unissued shares (or any other instrument which is convertible into, or represents rights over, Ordinary Shares in the capital of the Company having an underlying nominal value of £0.002 each), up to an aggregate nominal value of £32,036.84. This authority, if granted, will expire on the conclusion of the next Annual General Meeting. Resolution 8 represents an authority to allot equity securities up to an aggregate nominal amount of £32,036.84 (which represents 20 % of the aggregate nominal value of the Company's issued ordinary share capital). This percentage is inside the guidelines of the Association of British Insurers and the Investment Association's Share Capital Management Guidelines. If shares are to be allotted using the authority under Resolution 8, and are to be paid for in cash, Section 561(1) of the Act requires that those equity securities are offered first to existing shareholders in proportion to the number of Ordinary Shares they each hold at that time. An offer of this type is called a 'rights issue' and the entitlement to be offered the shares first is known as a 'pre-emption right'. In certain circumstances however, it may be in the interests of the Company for the Directors to be able to allot some of the shares for cash other than by way of a rights issue.
13. Resolution 9, which is a special resolution, asks shareholders to waive their pre-emption rights, but only (i) in respect of the allotment of equity securities in connection with an open offer or rights issue subject to such exclusions or other such arrangements as may be appropriate to resolve legal or practical problems which for example, might arise with overseas shareholders and, additionally (ii) for the issue of securities having a maximum aggregate nominal value of £8,009.21 which represents 5% of the aggregate nominal value of the Company's issued Ordinary Share capital. This percentage is inside the guidelines of the Pre-Emption Group. The Directors believe this is in the best interests of the shareholders. This authority will expire at the conclusion of the next Annual General Meeting unless revoked sooner.

14. The following documents will be available for inspection from the date of this notice until the meeting at the Company's registered office and at the meeting convened by this notice:

- (a) Register of Directors' share interests; and
- (b) Directors' service contracts.
